ORDER

This matter is before the court on the plaintiff's UNOPPOSED MOTION FOR EXTENSION OF DISCOVERY DEADLINE (#23). NECivR 6.1(a)(2) requires a showing of good cause for this request. The parties have not show good cause for the requested extension, which, if granted, would also require continuing the trial date.

IT IS ORDERED that the motion (#23) is denied.

DATED March 1, 2006.

BY THE COURT:

United States Magistrate Judge**
